Traveler Favorite! 5 Inspiring Days! Don't miss this once-in-a-lifetime opportunity to see the full-sized replica of Noah's Ark! At 510 feet long and more than 50 feet high, it is the world's largest wooden timber structure. Also explore the Creation Museum, a "walk through history" of the beginning of all things and your own Gospel-Themed Dinner Cruise on the Ohio River. You will not want to miss this!

## ITINERARY

### Day 1 - Travel Day / Champaign, IL

Meet your Moostash Joe Tour Director and Driver at one of our many convenient pick-up points this morning and head east! Sit back, relax and enjoy the company of your fellow travelers today as we make our way to Champaign, IL where we check-in to the Drury Inn & Suites and enjoy Drury's great "Kickback" - where food and drinks are available. **(D)**

### Day 2 - Creation Museum / Dinner Cruise

Continue east this morning, arriving at the Creation Museum around the noon hour. Enjoy lunch on your own at Noah's Cafe before your self-paced, self-guided tour of the Creation Museum. This 70,000 square foot "walk through history" museum is an alternative to the evolutionary natural history museums. See how its interpretation of the Bible - "the history book of the universe" - provides an account of the beginning of all things. You will take a journey through a visual presentation of the history of the world, based on its 7 "C's" of History - Creation, Corruption, Catastrophe, Confusion, Christ, Cross and Consummation, to discover an interpretation of how science confirms biblical history. There are also dozens of informative videos and exhibits throughout the museum including the 4D Special Effects Theater, the outdoor gardens and the Animal Experience. After you've finished exploring, we take the short drive to our hotel accommodations for our two-night stay in the Cincinnati area at the new Drury Plaza Hotel. Then it's off to BB Riverboats and our evening dinner cruise on the Ohio River! Enjoy a private dinner cruise watching the river go by with live entertainment featuring a combination of contemporary gospel and all-time hits! **(B, D)**

### Day 3 - Ark Encounter / Hofbrauhaus

This morning begins with our local tour guide on a guided tour of Cincinnati - otherwise known as the "Queen City." Then, continue to Patriot's Landing for a peek inside this unique veterans services complex featuring veteran made goods and plenty of patriotism! Our entire afternoon is then spent at the Ark Encounter! At 510 feet long and more than 50 feet tall, this full-sized replica of Noah's Ark is the world's largest wooden timber structure! You'll have plenty of time to explore the Ark, containing three levels of exhibits - Before the Flood, During the Flood, After the Flood. Back in town, a fun evening is planned at Hofbrauhaus! Enjoy the German ambiance and cuisine along with live polka music! **(B, D)**

*Important Note: The Ark Encounter and the Creation Museum are walking attractions. There will be a considerable amount of walking required to see the entirety of the exhibits. A limited number of scooters are available for rent and can only be reserved while at the Ark Encounter.*

### Day 4 - John Deere Pavilion / Quad Cities

We continue on to the Quad Cities and Moline, IL where we'll be overnight and enjoy a farewell meal together at nearby Johnny's Italian Steakhouse. We'll also have the opportunity to visit the John Deere Pavilion, home to interactive exhibits and plenty of large machinery! **(B, L, D)**

### Day 5 - Return Home

Late this morning we stop at Iowa's Amana Colonies for free time to shop and dine before saying goodbye to your Moostash Joe Tour Director, Driver and fellow passengers as you arrive back at your initial pick-up points with many fond memories and inspirational thoughts from your tour to the Creation Museum and Ark Encounter! **(B)**
