Welcome to your Moostash Joe Tour! Today we begin our travels west, where we'll be overnight in Cheyenne, WY and enjoy a welcome dinner together. **(D)**

September 9 – Rocky Mountain National Park

This morning takes us through Big Thompson Canyon en route to Rocky Mountain National Park! Truly one of America's natural treasures, we traverse Trail Ridge Road, reaching an elevation of over 12,000 feet driving past dramatic scenery throughout. We'll take stops for the best photos and to explore Alpine Visitor Center at the top. Our day finishes in Silverthorne, CO where you'll have the evening to spend at your leisure. **(B)**

September 10 – Colorado National Monument / Canyonlands by Night Jet Boat Trip

Our exciting day begins with a scenic drive through the Rockies past some of Colorado's renowned skiing areas as we continue west. This afternoon is spent on the 23-mile-long Rim Rock Drive at Colorado National Monument. This splendid park gives testimony to the amazing results of erosion. Here we see rounded domes and towering monoliths surrounded by vertical canyon walls and is unquestionably among the premier scenic drives in the American West. Then, a special evening is planned on our Canyonlands by Night Jet Boat Trip! A cowboy-style Dutch oven dinner precedes our evening boat ride on the Colorado River. The Canyonlands area is unlike any other in the world, making this boat ride one of the most outstanding events you'll experience. **(B, D)**

September 11 – Canyonlands National Park / Arches National Park

Today we explore the Island in the Sky District of Canyonlands National Park. This expansive wilderness of countless canyons and fantastically formed buttes was carved by the Colorado River and its tributaries. Gaze out over Grand View Point along with an opportunity to take a short hike to view the canyons through the "window" of Mesa Arch. Enjoy a picnic lunch and cliff-side views at nearby Dead Horse Point State Park before spending the afternoon in Arches National Park. Eroded by wind, water and time, this wonderland of red-rock features windows, spires, pinnacles and the world's largest collection of natural stone arches. This evening is free for you to enjoy Moab, UT on your own. **(B, L)**

September 12 – Capitol Reef National Park

After a leisurely morning, we leave the red-rock of Canyonlands and Arches to the renowned white sandstone of Capitol Reef National Park. We take the Capital Gorge scenic drive along cliffs, canyons, domes and bridges along with a stop at the Gifford Homestead for a look into life on the farm in the early 1900's and to browse their local handmade items and baked goods! We'll be overnight in Torrey, UT where we also enjoy an evening meal together. **(B, D)**

September 13 – UT-12 / Bryce Canyon National Park

This morning we travel Utah's incredible scenic Highway 12 through Grand Staircase-Escalante National Monument, winding through alpine mountains, spectacular canyons, colorful rock formations and experience first-hand why a portion of this road is named "The Hogback." Our afternoon is spent at Bryce Canyon National Park, known for the largest concentration of "hoodoos" anywhere in the world. These colorful, irregularly eroded spires of rock are sure to amaze. Tonight finds us in Kanab, UT for our two-night stay at Parry Lodge – which is as much of a museum as it is a hotel! **(B, D)**

September 14 – Zion National Park

We head to nearby Zion National Park for a half-day trip to Utah's first National Park. Here we experience the wilderness and life in a narrow slot canyon, where the Virgin River has cut a dramatic rugged gorge through multi-hued sandstone, shale and limestone. From the floor of the canyon, we'll look up at the towering rock walls surrounding us on all sides. Our evening is back in Kanab to enjoy Little Hollywood's Chuckwagon Cookout. **(B, D)**

September 15 – Glen Canyon Visitors Center / Antelope Canyon Tour

This morning finds us in Page, AZ, first stopping at the Glen Canyon National Recreation Area Visitor Center for a look at the impressive dam on the Colorado River. Then it's time to explore Antelope Canyon! It is the most visited and photographed slot canyon in the American Southwest. The canyon is world-famous for its dramatic light beams, which occur when direct sunlight pierces through narrow openings at the top and illuminates the ground below. The flat, sandy floor makes it highly accessible for visitors of all ages. This evening, settle in to our two-night stay at Red Feather Lodge, just outside of Grand Canyon National Park, where we also enjoy an evening meal together. **(B, D)**

An incredible opportunity awaits today during our full-day step-on guided tour of Grand Canyon National Park!
