New Zealand Cruise and Sydney, Australia Day-by-Day Itinerary

Saturday, February 1 – Depart Omaha

Enjoy free parking as you depart this morning from one of our pick-up points to Omaha's Eppley Airfield. Here, we make a connection for our overnight flight to Auckland, New Zealand!

Sunday, February 2 – International Date Line

As we're flying over the Pacific Ocean, we cross the International Date Line – which basically means today never happens! Not to worry, we'll get that day back at the end of our journey.

Monday, February 3 – Auckland, New Zealand

Good morning and welcome to Auckland – New Zealand's largest city! Upon arrival, our deluxe motor coach and local tour guide will be waiting for us. Enjoy a half-day guided City Tour including time to walk at the Domain (Auckland's oldest park, formed by volcanic activity long ago) time to explore Parnell village (known for its diverse cafés, galleries and shopping) and a chance to explore the culture and history of New Zealand at the Auckland Museum. We'll then check-in to our hotel accommodations with the rest of the day to explore the area at your leisure.

Tuesday, February 4 – Embark the Norwegian Jewel

Enjoy a leisurely morning at our hotel and another chance to explore the area on your own before we depart for the cruise terminal and board the recently refurbished Norwegian Jewel. Once on-board, you'll have the chance to explore your home for the next ten nights as the cruise departs port at 6:00 PM. (B, D)

Wednesday, February 5 – Tauranga, New Zealand

Set on the beautiful Bay of Plenty, Tauranga is a must-see when visiting New Zealand. Choose to head to the beach, discover Tauranga's lovely parks and rich history, visit a village buried by a volcanic eruption or explore Hell's Gate, an aptly named geothermal park with boiling pools, fantastic geysers and mud baths, the largest of which is Poutamu, "the stairway to heaven." (B, L, D)

Thursday, February 6 – Gisborne, New Zealand

Considered the unofficial "Chardonnay Capital of New Zealand," Gisborne's winery trail is a must for wine enthusiasts. The region is also one of the sunniest places in the country and one of the first places in the world to see the sun rise. The East Cape Lighthouse – the eastern most point of New Zealand's North Island – offers a taste of scenic countryside and rugged coast. (B, L, D)

Friday, February 7 – Wellington, New Zealand

Travel back to a Victorian past as you stroll by the city's Victorian Gothic buildings. Choose to experience amazing views taking the cable car up the mountain or around the spectacular harbor area. See some of the sites where Lord of the Rings trilogy was filmed. Shopping opportunities also abound, with plentiful arts and crafts, jewelry, fine woolens and leather goods. (B, L, D)

Saturday, February 8 – Marlborough (Picton), New Zealand

Built around a sheltered harbor, this town is not short on recreational activities. Fishing opportunities, dolphin watching, sea kayaking, biking and wine tours just to name a few. Or relax and browse the local shops featuring a wide range of trinkets, handmade jewelry and more. (B, L, D)

Sunday, February 9 – Akaroa, New Zealand

Tiny penguins rule the roost in this historic settlement nestled in the heart of an ancient volcano. With a balmy, year-round climate, these famous foot-tall residents are certainly not snowbirds. The spectacular surroundings offer a wealth of outdoor activities, both in the sheltered harbor and on dry land. (B, L, D)

Monday, February 10 – Dunedin (Port Chalmers), New Zealand

This dramatic South Island coastal town offers a mix of unique natural beauty and fascinating history. Rare, yellow-eyed penguins, fur seals and the Royal Albatross all call Dunedin home. Equally impressive is the Victorian and Edwardian architecture that dates from its days as a gold rush town. New Zealand's only castle also sits high above the city and offers sweeping views from its famous gardens. (B, L, D)

Tuesday, Wednesday & Thursday, February 11, 12 & 13 Fiordland National Park / Cruising at Sea

Our sightseeing doesn't stop while at sea! On Tuesday, we'll cruise to Fiordland National Park – encompassing Milford, Doubtful and Dusky Sound. As one of the true highlights of your New Zealand Cruise, these stunning, remote coastal areas features New Zealand's greatest natural wonders. It's known for its intersections of majestic mountains, serene valleys, glacier carved fiords and powerful waterfalls. With no direct road access, we'll get to experience nature and wildlife at its most natural form. (B, L, D)

Friday, February 14 – Sydney, Australia / Sydney Opera House

Good morning and welcome to Australia! Enjoy one last breakfast on board as you cruise by the iconic Sydney Opera House before disembarking. Upon arrival, our private deluxe motor coach and local tour guide will be waiting to take us on a City Tour. As the host for the 2000 Summer Olympics and one of the most beautiful cities in the world, Sydney is home to approximately 65% of Australia's population. Our tour takes us around to Sydney's most popular spots before arriving at the iconic Sydney Opera House. The Opera House reaches out into Sydney Harbor with the skyline of the Sydney Harbour Bridge and crystal blue water making the view dramatic and unforgettable. Our Essential Tour allows us to see the inside of the world's most recognizable sails and one of the busiest performing arts centers in the world. Also, time permitting, we visit the Featherdale Wildlife Park, featuring one of Australia's largest private collections of Australian animals. View Koalas, kangaroos, wallabies, wombats, fairy penguins and Australian reptiles. We then arrive and check-in to our downtown accommodations with the rest of the evening to explore Sydney at your leisure. (B)

Saturday, February 15 – Return Home

This morning we transfer to Sydney Airport for our return flight to the United States. As technically an overnight flight, we'll still arrive in the US the same day as when we left! Upon arrival in Omaha, say goodbye to your fellow travelers and Moostash Joe Tour Director as you return back to your original pick-up points. (B)

Frequently Asked Questions

What will the weather be like?

The short answer is absolutely beautiful! Remember, February is in Australia and New Zealand's summertime. Because of your proximity to the coast, the climate is very mild and comfortable this time of year. You can expect a lot of sunny days with high temperatures in the 70's and lows in the 60's. However, the further south you go, the cooler it may be. Nevertheless, we think February is the best time to travel to and experience Australia and New Zealand.

What time zone will I be in and how long is our flight?

The vast majority of New Zealand is on New Zealand Daylight Time (UTC +13). That probably doesn't help very much. Think of it this way – February 1 at 5:00 P.M. in Omaha (Central Daylight Time) is actually February 2 at 12:00 P.M. Noon in Auckland, New Zealand. Also, it would be February 2 at 10:00 A.M. in Sydney, Australia (UTC +11).

Our flight from an international airport in the United States to Auckland, New Zealand will be anywhere from 16-18 hours long. During this time we will cross the International Date Line, which means we actually skip a day while in the air. Coming home, however, is the opposite. We will arrive on technically the same day of the week as we depart, while spending a night in the air.

Is it safe?

New Zealand is one of the safest travel destinations in the world, with a relatively low crime rate, few endemic diseases and a first-class healthcare system. Australia is equally as safe.

What type of currency and what language can I expect?

The exchange rate with the United States Dollar is favorable. As of February 2019, one New Zealand Dollar and one Australian Dollar both equal approximately \$1.40 US Dollars. Credit cards are also widely accepted throughout both countries and our recommendation for any purchases. English is the common and official language.

Is there anything else I should know before I go?

North American electrical devices will require converters and/or adapters. To charge your mobile device, tablet, laptop, in Australia and New Zealand, you will need a conforming electrical outlet for 230/240 volts. For more information, please consult an electronics retailer.

Australia requires its short term tourists to purchase an Electronic Travel Authority Visa (ETA) to enter the country. You will need to apply for this visa online before you depart for your cruise. All that is required is your passport, an email address and a valid credit card. A charge of \$20 AUD (approximately \$15 USD) also applies. Please visit the tour page on our website for more information and a direct link to the proper Australian Government website to apply for your tourist visa. Please note, your passport must be valid for at least 90 days from your departure date back to the United States.
